LESSONS, Club Nights and Door EntryOur

Important announcement

If you are a current Drifters member (or join up and become a member) we will waive your door entry for club nights, excluding social nights, for the remainder of this calendar year.. This is our way of thanking members for the effort they have put in this year at club nights in helping with lessons, at the Jnr Nationals & at the birthday hop.

Members concession cards will be held over until next year

Lessons

Our current set of beginner lessons have been extended to include the 19th & 26th, we have had a great turn out for this set of lessons, we could certainly do with a hand, come on members get behind Jan and Steve, come along and give them a hand.

The 10th and 17th will be a combination dips and lifts and line dancing

There will be no club night os Tuesday 24th October (Tuesday after Labour Weekend)

The next set of beginner lessons will start on the 31st October

Memberships

We thank members for their continued support. All clubs rely on active members to keep them going. If you are yet to renew your membership just deposit your funds into the Drifters account 03-1555-0015630-000 using your name in the reference.

Or download the membership form from the website and email it in or just renew your membership at a club night.

And remember membership also gives you a reduced rate on lessons etc.(free until the end of the year)

Anyone coming along to club night who is not a member of Drifters Rock n Roll Club will be asked to pay the NON CLUB MEMBER price applicable for that evening
